

## Academic Archery World Championships

---

Dear sport friends, dear guests,

Let me kindly welcome you to Slovakia, in the famous vineyard village of Viničné, which in the next few days will become the hometown of university students in archery from 27 world countries.

I am very happy, that the World University Archery Championships will be held in Slovakia between June 12<sup>th</sup> – 18<sup>th</sup> of this year. After having participated at the World summer Universiade 2005 in Turkey, our sportsmen can compete on top international level in their home country – in Viničné, which is the cradle of Slovak archery.

Our country is a small spot on the world map, but it will win your hearts by its beauty, culture and hospitality of its inhabitants. I wish you a pleasant stay, during which I hope you will form new friendships and will be happy to come back one day.

Every year Slovakia hosts several world events. It is a country with a high sports culture which should guarantee that also these Championships will be organised at an adequate level and will help to the positive presentation of our country in the world.

I wish you enjoy your stay in Slovakia in good atmosphere and excellent conditions. I wish all the sportsmen a lot of success and to the spectators an enjoyable sport adventure.

**Stanislav Kosorin**  
General Director of the Sports section  
at the Slovak Ministry of Education
