PRELIMINARY & FINAL REGISTRATION

No entry forms will be available for registering to this event. The registration process has to be done using the World Archery Online Registration System (WAREOS).

The number of athletes that may be entered by a Member Association is limited to three (3) in each category.

In order to use WAREOS, please enter this address in your internet browser <http://register.worldarchery.org/> and use the Username and Password that World Archery has assigned to your Member Association. After entering the WAREOS, please go to "Online Registration" and register your archers for this event. Pay attention: every archer can be registered in the system only once. The date of birth is mandatory for juniors.

A "WAREOS User Manual" can be downloaded in PDF format (English and Russian) from the same website.

For any question regarding WAREOS, please contact Mr. Matteo Pisani at matteo@pisani.eu

Starting date of online-registration with WAREOS is:	15th October	2014
End of Preliminary registration:	27th November	2014
End of Final registration:	4th February	2015

Please pay attention to the stated deadlines.

The Member Associations which send final entries with more than two (four for Youth) athletes difference from the numbers entered at the time of the preliminary WAREOS entry, will pay a fine of 100 Euro, to be paid to the OC upon arrival at the event.

Teams that enter athletes through WAREOS after the 20 day final deadline will pay a penalty of 100 Euro per athlete registered, to be paid to the OC upon arrival at the event.

Name change (the same category and division) will be accepted up to 72 hours before the event without any additional charge.

All modification after final deadline must be approved by the Organizing Committee and must be communicated by email to both, the Organizing Committee at oc-koper@archery-si.org and Mr. Matteo Pisani at matteo@pisani.eu.

Since entries will be made through WAREOS only, MAs declare that their athletes and officials are aware of the participation waiver and anti-doping agreement, and we recommend MAs to advise their athletes on this matter.

However, accepting the conditions of the athlete participation waiver and anti-doping agreement are an eligibility requirement to participate in the event.

As a final note, only member Associations in good standing will be eligible to compete. This also means that any penalty fee for 2014 and World Archery fee 2014 must have been paid prior to participation.
