Recommendations to WAE Secretariat:

Additional comments:

The LOC and all the staff were really involved to deliver the best championship. Relation with all of them was easy and my function of TD was really easy going in each situation we had to manage.

The cooperation with the judges and their chairman was excellent. I wish to thank Fredrich KARLE who has as a constant mind to give as much experience to all the judges on Para-Archery specificities.

I thank also lanseo team who was efficient and helpful with their experience.

I think that everyone has contributed to deliver a high-level Championship.

Final Result list to be sent to WAE Secretary General by the organizers, in tabulator format
